Mission Description

The Carlos Rosario School Small Business Program is designed for the start-up entrepreneur, adult English language learner, or native Washingtonian who seeks to advance their personal and career goals through entrepreneurship in the Greater Washington DC area. The program navigates the start-up entrepreneur through the thought process from Ideation+Conceptualization+Application (Applied Learning), as well as providing technical assistance, coaching, and mentoring.

Programs and Services

The Fundamentals of Entrepreneurship Workshop Series consisting of twelve online sessions that are offered on a semester basis and is facilitated in English and Spanish. The workshops cover key examples of entrepreneurial business models, the process of setting goals and objectives, understanding the chosen business industry, understanding business credit, the use of digital apps and social media to market the business, knowledge of small business resources in the community, and understanding the various legal structures of a business model.

Upon completion of the workshop series, the Small Business program continues to provide participants with on-going technical assistance in the following areas: Coaching and Mentoring, Assistance with legally registering the business entity in either Washington, DC., Maryland or Virginia, Applying to the IRS for the Employer Tax ID # (EITN), Applying for micro-loans or grants with the various small business community organizations, Applying and Competing in the Carlos Rosario School-Small Business Program's Annual Small Business Pitch Competition.
