Mission Description

Emory Beacon of Light (EBOL) provides access and opportunities to marginalized community members through affordable housing, supplemental food programs, small business development, and enhanced educational programs.

Programs and Services

Through their Small Business Assistance Program, EBOL provides a range of assistance to small businesses to help increase revenue and foot traffic to the Ward 4 Brightwood business corridor, especially Georgia Avenue.

They offer:

- One-on-one client consultations
- Presentation of marketing and finance workshops, webinars and seminars
- Marketing of the business corridor
- Creation of free websites and site support
- Online business directory
- Assisting businesses with completing Great Street grant applications.
