Mission Description

North Capitol Main Street, Inc. is dedicated to revitalizing North Capitol Street into a dynamic commercial corridor that extends seamlessly from the United States Capitol building to all destinations in the north, fostering vibrancy and economic vitality along the way. They work towards cultivating a robust and connected community of thriving businesses and diverse offerings.

Programs and Services

North Capitol Main Street supports businesses, located within the main street program boundaries, through direct services like technical assistance, one-on-one counseling and referral services. They also help with identifying and applying for grants, and facilitating networking and business opportunities.

Additionally, North Capitol Main Street hosts various community events each year to draw visitors to the area and regularly promotes the businesses in the corridor through its social media channels.
