Mission Description

The Adams Morgan Partnership Business Improvement District is a nonprofit organization focused on enhancing the quality of life for businesses, commercial property owners, residents, visitors, and employees in the District of Columbia's most vibrant and eclectic neighborhood. The Partnership provides daily street cleaning, fun neighborhood events, and creative marketing and economic development initiatives. Adams Morgan is world-renowned for its fantastic restaurants and nightlife, colorful retail stores and historic, tree-lined residential streets. The American Planning Association named Adams

Programs and Services

Our hardworking Clean Team maintains one acre of park space and 3.5 miles of sidewalk every day. Annually the BID removes over 450 tons of trash and nearly 100 tons of recycling.

AMPBID employs a team of Safety Ambassadors who patrol the neighborhood 7 days a week with coverage from noon until 11 pm most days. On a daily basis our safety team checks in with businesses, assists visitors in finding their way, reports public space issues for maintenance, and helps to connect people experiencing homelessness with needed services.

From eye-catching social campaigns to sleek monthly newsletters and curated neighborhood guides, AMPBID uses strategic marketing to spotlight everything that makes Adams Morgan unforgettable. AMPBID produces a dynamic calendar of signature events like PorchFest, AdMo Vibe Summer Concert Series, Movie Nights, and more to bring thousands of visitors to our streets each year.
